DANA Wood Chip / Wood Pellet Seminar & Field Trip

Hello (first name)

On Thursday October 5, DANA will co-host the 2nd joint FWPA-DANA 1- day conference in Melbourne. The meeting theme this year is wood trade and innovative new wood based products.

For this years conference DANA and FWPA are being joined by Australian Timber Importers Federation - ATIF (John Halkett).

All details including registration, programme and sponsorship opportunities can be seen on the [conference website](#) or contact [Ric Sinclair](#), [John Halkett](#) or [Julie Bell](#)

The following day, Friday October 6, DANA will host a Seminar and Field Trip, focussed on forest plantations and woodchip-woodpellet exports.

The day will start with three presentations:

- **China Pulp Production and Woodchip Demand Trends and Projections.**
 - Gavin Hao, RISI China forestry expert, Shanghai China.
- **Progress in breeding and growing *E. globulus* * *E. nitens* crosses in Chile and Brazil, growing *E. nitens* in Chile, and progress on the next generation of Australian eucalyptus species/crosses for pulpwood.**
 - Ms. Rebeca Sanhueza (MSc Genetics), Head of R&D in Biotechnology and Wood Quality, CMPC, Chile
- **Biomass Woodchip and White & Black Pellet Demand Trends in Japan: 2017 – 2025.**
 - Speaker TBC

Immediately following these presentations, delegates will travel by luxury tourist coach on a full day field trip, with site visits (all confirmed) to:

- **Midway** hardwood woodchip log receiving, chipping and chip storage facility at Geelong
- **Softwood Plantation Exporters** (SPE) softwood woodchip log receiving, chipping and chip storage facility at Geelong
- **Port of Geelong** woodchip loading terminal

- **Hardwood Plantations:** *E. globulus* and *E. nitens*
- **AKD** sawmill at Colac

The field trip will terminate back in Melbourne in the late afternoon
